

NEWTONIUM

Physics talks, given by students, to students.

Pick anything in physics that fascinates you and take the room through it for 25 minutes: your slides, your rules. Or just turn up and listen.

Talks don't have to be perfect; the point is sharing some fun STEM.

WHEN	WHERE	WHO
Thursdays	Lab G24	4th Year +
1.10 pm	Second half of lunch	Fourth Years and above

FIRST TALK • THURSDAY 24 SEPTEMBER

Want to give a talk? Sign-up sheet at the first session. Anyone who comes can offer one.

Organised by Anton Chetvertkov, L6LP
